

Town of Amity

Honor Roll Project

Our community is reaching out to you with a heartfelt request for your support in building a Veteran's Honor Roll Monument in our small town. This will serve as an official and public tribute to the brave men and women who served our country, ensuring their valor and sacrifices will never be forgotten. Your generous, tax-free, 501(c)3 donation of money, services, and/or materials will help us create a place of honor and reflection for generations. Every contribution, no matter the size, brings us closer to fulfilling our patriotic duty to *never forget*. Contributions of \$1,000 or more will receive permanent, on-site name recognition for all visitors to see. Please join us in honoring our heroes by filling out the form below, enclose your tax-free donation, and follow mailing instructions below.

Thank You from the people of Amity.
